**JOINT STATUS REPORT**

Pursuant to this Court’s Court Order on May 12, 2025, Dkt. 68, the parties hereby provide this status report to inform the Court that discussions between the parties are ongoing. In addition to the updates provided in the parties’ May 9, 2025, status report, Defendants report that their position is that H.K.’s claims are moot and accordingly have proposed dismissal as to his claims. Plaintiff H.K. is considering Defendants’ mootness argument. Plaintiffs report that H.K.’s grandmother’s humanitarian parole application was approved this week, and they anticipate traveling to the United States together shortly. In addition, Plaintiffs report that Plaintiff G.S. has scheduled his medical exam for the coming week and continues to await an interview date. Defendants report that completion of this medical exam is a precursor to receiving an interview date.

At this time, the parties plan to continue these discussions without Court intervention. Accordingly, in the interest of judicial economy, and to avoid an unnecessary and burdensome expenditure of this Court’s resources, the parties jointly request that they be permitted to provide a further update to this Court in fourteen (14) days, on June 6, 2025, as to the status of their

discussions. The parties will notify the Court if the discussions result in resolution of some or all of claims in the above-captioned matter.

Dated: May 23, 2025

Respectfully submitted,
